Standout Pioneer- May 2026

Lila Green

Nominated by: Mrs. Scott

It is our pleasure to announce that Lila has been selected as one of our Standout Pioneers for May. Standout Pioneer is awarded to a student who stands out in one or more of the following areas: academic improvement & performance, character, community service, kindness, leadership, school pride or work ethic.

"I've had the pleasure of knowing Lila for many years as a dance teacher when she was younger and was so excited to see her at Clearview. She has shown consistent improvement on the Dance Team and on the Softball Team. She works hard everyday, brings positive energy, perseverance, and unending support for all her teammates. Lila is a friendly student who strives for excellence off and on the field and is a wonderful example of a pioneer." - Mrs. Scott

As principal of Clearview High School it gives me great pride that our students consistently perform actions that make our school and community a better place, while also serving as great role models for their peers. Lila's actions exemplify what it means to be a Pioneer and she should be commended for "Standing Out" within our school community.
